

Map::getTargetPos

Map::Map

Map::setTarget

```
graph LR; A[Map::getTargetPos] --> C[Map::setTarget]; B[Map::Map] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box is white with a black border and contains the text 'Map::getTargetPos'. The bottom box is also white with a black border and contains the text 'Map::Map'. On the right, there is a single gray box with a black border containing the text 'Map::setTarget'. Two blue arrows originate from the right side of the two boxes on the left and point towards the left side of the gray box on the right. The top arrow starts from the bottom-right corner of the 'Map::getTargetPos' box, and the bottom arrow starts from the top-right corner of the 'Map::Map' box.
