

Vector2D::operator/

```
graph LR; A[Vector2D::operator/] --> B[Vector2D::Vector2D]; A --> C[Vector2D::Vector2D];
```

The diagram illustrates a branching operation. On the left, a gray rectangular box contains the text "Vector2D::operator/". Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box with a black border containing the text "Vector2D::Vector2D". The bottom arrow points to another white rectangular box with a black border, also containing the text "Vector2D::Vector2D".
